- Effective Communication

PROFILE

Computer Science student with a strong foundation in software engineering fundamentals, including Object-Oriented Programming, SOLID principles, and clean coding practices. Passionate about building reliable software, solving real-world problems, and continuously improving through hands-on projects. Seeking a Junior Software Engineer Internship where I can contribute, learn, and grow as a professional software engineer.

EXPERIENCE

MediaLibrary project

2026 .5.12

- Analyzed an existing Media Library application and enhanced its implementation by applying Object-Oriented Programming concepts, improving code organization, reducing duplication, and creating a more maintainable project structure.

EDUCATION

Final Year

Computer Science

University of Computer Studies (Meiktila)

LANGUAGE

Burmese

English (Intermediate)
